

Lesson 1 | Introduction

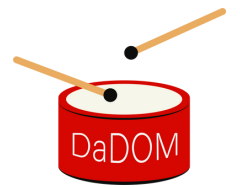

Assignment 1

Music styles

In healthcare, music is used in various ways to support the care recipient. Nowadays, there are many ways to find and listen to music.

1. Through which mediums do you listen to music? (You can think of YouTube, Spotify, etc.)
2. What are your top 3 music styles?
3. Explore your chosen medium for music styles you have not heard before and listen to a few songs.
4. Which music style had you not heard of before?
 - a. What do you think of it?
5. There are various websites or playlists available online for the older demographic. Conduct online research and gather a few sites where you can find playlists or advice about music for the older demographic

Lesson 1 | Introduction

Assignment 2 Poster

For the next assignment, you are going to create a music poster. Music and emotion are closely linked. Everyone has memories connected to music, such as the lullaby your mother sang to you, your first relationship, a holiday, going out, or a funeral.

In your poster, incorporate various images that match the music and the emotions you might feel while listening to it.
